

Manitoba USKE Inc.

Position: Indigenous Community Planning Intern

Hours: 40 Hours per Week

Wage: \$19.00 per Hour

Location: Winnipeg, Manitoba

About Manitoba USKE

Manitoba USKE is a First Nation-led organization that supports First Nation Land Managers and communities throughout Manitoba. We offer technical assistance, training, GIS services, land management support, to First Nations.

Position Summary

Manitoba USKE is seeking a motivated Indigenous youth to join our team as a Land Use Planning & Development Intern. This internship provides an opportunity to gain hands-on experience supporting projects related to Indigenous housing, land use planning, community development, economic development, and infrastructure planning.

Responsibilities

The Land Use Planning & Development Intern will assist with:

- Land use planning and development projects
- Community development and housing-related initiatives
- Research related to housing, infrastructure, and community planning
- Administrative support for planning and development projects

Qualifications

- Be Indigenous (First Nation, Inuit, or Métis)
- Have an interest in land use planning, housing and economic development
- Be willing to learn and work in a collaborative environment
- Be proficient in Microsoft Office applications

Eligibility Requirements

- Be between 15 and 30 years of age at the start of employment
- Applicants must have reliable transportation
- Be willing to travel (possibly overnight)

How to Apply

Please submit application to:

Manitoba USKE Inc.

Email: s.mayham@uske.ca

Application Deadline: June 30th, 2026
